BAT-NET

A Cooperative Crime Fighting Alliance Between the
San Antonio Police Department and Local Businesses

WHAT IS BAT-NET?

BAT-NET is an acronym for Businesses Against Theft Network. Originally focused on shoplifting and internal theft problems of businesses, BAT-NET has now expanded to include ALL crimes that affect both large and small business in San Antonio. These include robbery, fraud & scams, hot checks, embezzlement, property loss, and a wide range of business-related crimes.

BENEFITS OF BAT-NET:

FIRST: The **BAT-NET WEB PAGE** (www.sanantonio.gov/sapd/BATNET.asp) provides Basic Business Crime Prevention Information, and posts frequent Business Crime Alerts (on Crimes and Criminals), available for all businesses and the general public to view and utilize.

SECOND: By signing up for the **BUSINESS CRIME E-MAIL ALERT NETWORK**, businesses can receive information from SAPD concerning new crime trends or incidents, sent directly to an e-mail or pager. BAT-NET members can also send alerts to SAPD by e-mail, through the BAT-NET web page.

THIRD: By attending the monthly **BAT-NET MEETINGS**, businesses can meet with local business crime investigators, participate in discussions of recent crime issues, learn about successful business crime prevention tools, and become part of the crime fighting effort.

JOINING BAT-NET:

The BAT-NET program is FREE and open to San Antonio business Loss Prevention representatives, business owners and operators, and local law enforcement-affiliated personnel. Meetings are announced on the BAT-NET Web Page and through the BAT-NET Alerts Network.
